# PROPERTY PRICE STATEMENTS

## ALTAMIRA - 171 Canterbury Road, Canterbury VIC 3126

*Prepared 6 October 2026 | Based on the Consumer Affairs Victoria metropolitan multiple-units PPS format*

**IMPORTANT PRE-ISSUE CHECK**
**These statements have been populated from the Altamira pricing and accommodation information supplied, the project plan schedule, and publicly searchable sales evidence. CAV requires the agent to use all data and information it holds, including undisclosed sales. Before publication, the licensed agent should confirm: (1) estimated selling prices in the authority, (2) any rejected written offers, (3) exact courtyard/land areas, (4) G.11 key features, (5) 2.04 car spaces, and (6) whether the agency's subscription sales database identifies more comparable sales than the public sources used here.**

The statements below are separated into product/price classes so that no multi-unit indicative range exceeds the statutory 10% maximum. Single-unit premium residences are shown separately.

Comparable-sale note: Altamira is a new luxury off-the-plan development. Publicly identified recent sales within the prescribed 2 km / 6 month metropolitan window are limited in their similarity to the premium new-build product. The PPS should not imply that an inferior resale is directly equivalent merely because it is nearby.

## Comparable properties

**Reason fewer than 3 directly comparable sales may have been taken into account:** No genuinely comparable recent penthouse sale was identified in the publicly searchable evidence reviewed for this draft within the prescribed 2 km / 6 month window. The agent must check its subscription/agency sales data, including undisclosed sales, before issue.

## Suburb median price

$1,025,000 - Canterbury unit median, 12 months October 2025 to September 2026 (realestate.com.au suburb profile, accessed 6 Oct 2026).

## Seller's reserve price

Not applicable unless the property is being sold by auction or fixed-date sale. If applicable, insert the seller's reserve price when received and within the statutory timeframe.

## Final sale price

To be inserted within 7 days after the sale becomes unconditional, unless a CAV exemption applies.

**Agent verification before publication:** Confirm this PPS against the current sales authority, seller asking price, rejected written offers, current advertising, final architectural/sale plans and the agency's complete comparable-sales database.
